IN MEMORIAM

HOWARD C. HOLMAN
1906 - 1996

As a tribute to Howard Holman's lifelong service to the citizens of this community, we dedicate the 1996 edition of the Fitzwilliam Annual Report. Howard served us first as a rural mail carrier for forty years and then as Selectmen for another twenty years. He helped make Fitzwilliam a leader in the Monadnock Region. We were fortunate to benefit from his efforts in managing the governance of our town for so many years. His commitment to the betterment of the town and its residents will be difficult to surpass.

BOARD OF SELECTMEN'S 1996 ANNUAL REPORT

The Board of Selectmen extends sincere thanks and appreciation to all residents who have volunteered their time and expertise to serve on Town committees and boards. We would also like to commend our department heads, and their employees who continue to provide town services efficiently and within budgetary constraints.

We end 1996 in good financial shape. We have no long term debt and have finished the year within the appropriations that you approved at Town Meeting 1996. We continue to be members of the NH Public Deposit Investment Pool (NHPDIP) which allows us quicker accessibility to town funds and earns us a favorable interest rate. We anticipate that we will end the year with a surplus and will use part of that to offset property taxes.

The sales study, which was done in 1995, corrected inequities in our assessed valuations. It remains apparent that we need to do a complete townwide evaluation in order to bring our percentage of equalization closer to 100%, as it is now 122%. In this year's budget, the Selectmen are asking for funds to be added to the capital reserve fund created for revaluation. The tax base is now $ 119,734,500 with 411 acres put into current use in 1996. The amount to be raised by taxes for 1996 was $ 3,189,074 and the tax rate breaks down as follows:

	1996	1995	1994
Town	6.49	5.97	4.78
County	2.05	2.23	1.72
School	18.30	17.23	13.48
	26.84	25.43	19.98

During the past year we installed a partial exhaust extraction system in the Public Safety Building. The system is working well and removes diesel exhaust fumes that would be dangerous to all working in and using this facility. This year we are asking for additional funds to advance this project. Installation of air-conditioning in the offices in our Town Hall has

eliminated office equipment breakdowns as well as improved working conditions. Electrical wiring in the Town Hall was also upgraded and new directional signs were installed. Funds appropriated for the new access to the Town Library have been carried over into 1997. This access would provide an entrance that is in compliance with Americans With Disabilities Act guidelines. We are pleased to report that the library was notified in January 1997 that they did receive the grant money for this project. Also held over into 1997 were the funds allocated for the purchase of the land behind the Depot Fire Station. We are still in the process of negotiating this purchase with the Catholic Archdiocese.

This year we worked with Town departments to compile information for an updated Capital Improvement Program. This data has been submitted to the Planning Board. Once completed, the document will be a valuable tool in planning and budgeting.

Also during 1996 changes to Bowkerville intersection were completed and the Board extends their thanks to John Holman for his assistance.

The school funding formula continues to be an issue facing the Town as we anticipate legal action in the coming years. We urge you to attend district meetings and school board meetings to voice your opinions. Our education committee is very active and you can contact them for information and to offer assistance.

We urge you all to become involved in your community in some way. Remember we're all in this together and only working together can we survive and advance. Thank you again for the opportunity to serve Fitzwilliam.

Smooth sailing in 1997!

To the Board of Selectmen
Town of Fitzwilliam, New Hampshire

We have audited the general purpose financial statements of the Town of Fitzwilliam, New Hampshire as of and for the year ended December 31, 1996, and have issued our report thereon dated January 15, 1997.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement.

In planning and performing our audit of the general purpose financial statements of the Town of Fitzwilliam, New Hampshire for the year ended December 31, 1996, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide assurance on the internal control structure.

The management of the Town of Fitzwilliam, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories:

ACCOUNTING APPLICATIONS

Budget
Cash and investments
Revenue and receivables
Expenditures for goods and services

and accounts payable
Payroll and related liabilities

For all of the internal control structure categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record and its distribution is not limited.

POLICE DEPARTMENT REPORT 1996

This year, the police department experienced some ups and downs with regard to personnel changes. The departure of James Lagace to the New Hampshire State Police, of Catherine Favreau as our secretary, and of Officer Richard Jack as a reliable part timer, created a lot of turmoil. Rehiring for these positions took considerable time. Officer Leonard DiSalvo attended the 110th session of the Police Academy and graduated in late November. We are now completely staffed with three full time officers, three part time officers and an administrative secretary.

Tallies for the primary offenses known, as compared to 1996, indicate some reductions in certain categories. The number of DWI arrests were less this year, as well as the number of thefts and criminal mischief incidents. Other categories remained closely comparable. One significant note was the number of juvenile related assaults that were reported this year. The police department has information on various mediation groups that can help families with incorrigible children.

I continue to place emphasis on training as I feel this is the best way to be successful as good police officers, serving the community. Recent focus has been on domestic violence. Through a grant from the County Attorney's office, the department has obtained a new type of Polaroid camera which can photograph close-ups of a victim of domestic violence. These detailed photos increase our chances to convict the aggressor, even if the victim wishes not to testify. If you or someone you know is a domestic violence victim, the police, Women's Crisis Center, and the Court can help.

The issue of improving parking conditions in the Village resulted in a proposed change to the flow of traffic around the Common. There was a public hearing held and the end result was non-supportive of the proposal. This " forced the hand" of the police and as a result, our only recourse is to strictly enforce the areas in the Village that prohibit parking, especially when there are large functions at the Town Hall. Please pay attention to the parking restrictions posted.

POLICE REPORT (cont.)

Due to the personnel changes that occurred this year, I was not able to fully carry out my commitment to increase police presence and participation in the elementary school. Through 1997, I want to focus on presenting a few different programs geared towards the promotion of safety in areas such as bicycle safety, seat belt use, and home safety. I may also turn to outside agencies, like D.A.R.E. and Officer Phil, to assist in providing training material and booklets to present to the children. Donations may be sought to cover the costs of this material. Any additional support from the community will be greatly appreciated.

We are fortunate to live in a small rural community such as Fitzwilliam. Too often we pick up the newspaper and learn of some violent or serious crime against a person. There is no way to measure the deterrence of crime from police presence. The Fitzwilliam Police Department will continue to strive to keep the Community peaceful and free of violence. I believe there is a great deal of support for the Police Department and for that, I wish to extend my appreciation and gratitude. May everyone be blessed with good will in the new year.

I would like to thank the Board of Selectmen, various Town Committees, and Town Agencies for their assistance given this year.

Respectfully,
Bruce L. Newton
Chief of Police

ANIMAL CONTROL REPORT 1996

1996 was a busy year here in Fitzwilliam. There were 280 calls for animal assistance, ranging from possible animal abuse to stray horses, cows and pigs on the loose in town. Unfortunately, this year we had 2 moose, 5 deer and 4 dogs killed on our roads. Please help everyone and keep your dogs tied, and in case they should become loose, have all tags on. It makes it much easier to return your missing loved ones to you.

This year, unfortunately there was one severe case of animal abuse and one case of animal abandonment. Both cases went to court and had a successful outcome for the animals in going to good homes.

I would like to thank all of the townspeople for their help this year.

The 1996 statistics are as follows:

> 280 calls for assistance
> 130 stray dogs, 23 brought to the Monadnock Humane Society, 22 of which were returned or adopted
> 3 dog bites
> 22 fines issued, collecting $825.00
> 150 warnings issued

ROAD AGENT'S REPORT 1996

This year we started a resurfacing program, which I hope will continue for the next four or five years. We would like to resurface three to four miles of road each year with a minimum of 1 ¾ inch overlay. All of the overlay projects for 1996 were completed. The large culvert on Bowkerville Road was replaced.

During the resurfacing of NH Route 12, we purchased 1,200 tons of asphalt grindings. Approximately 900 tons of asphalt grindings were applied to Old Turnpike Road . The remaining 300 tons were applied to the Bowkerville intersection. I have requested money in the 1997 budget to purchase more asphalt grindings to finish the Old Turnpike Road.

A serious winter put a strain on the budget in certain line items. We did not purchase 500 tons of gravel and all the road side mowing was not finished due to the shortage of money.

All major projects were completed. The following roads received a sand seal; Abel Road, Angier Road, Church Street, Cross Road, Fullam Hill Road, Keene Avenue, Old Turnpike Road, Perry Road, Pleasant Street, Sandy Beach Road and State Line Circle.

The beavers have been very active this year. They have caused numerous problems with plugged culverts and/or road washouts.

I have requested money in the 1997 budget to do the following projects:

1. Apply a 1 ¾" overlay to the Upper Troy Road from the Meadowood Fire Station to the Robbins Road. This will include ditching and replacing culverts as needed.
2. Apply a 1 ¾" overlay to the Jaffrey Road from the Jaffrey town line to Route 12, including ditching and replacing culverts, as needed.
3. Apply a 1 ¾" overlay to the Fullam Hill Road from Abel Road to Warren Hill Road, including ditching and replacing culverts, as needed.
4. I have requested $26,000 to go along with $50,200 from the State of New Hampshire to do an overlay of the Rhododendron Road from NH Route 119 to the Rhododendron State Park. This will include

ditching and culvert replacement with under drainage.

In the budget, there is a request for money to buy gravel for our dirt roads. I have also requested money to buy a wood chipper.

I would like to thank all Department Heads, Selectpersons and Townspeople for their assistance and support throughout the 1996 year.

Respectfully submitted:
Edwin O. Mattson, Jr.
Road Agent

RECYCLING REPORT FOR TRANSFER STATION 1996

In 1996 we recycled 266 tons of material. We disposed of 55 tons of metal, 23 tons of furniture and mattresses, recycled 60 gallons of anti-freeze, and gave away 500 gallons of used motor oil that is being used in a waste oil furnace. We had to pay to dispose of 225 gallons of oil based paint, and we air dried 150 gallons of latex paint.

The market was very low for prices on selling our recyclables. It does not look like the market is going to increase very much in the year 1997.

A reminder to everyone that we cannot accept any hazardous material in the winter months. Also, to stop and see the attendant before you dispose of anything in the brush pit, metal pile, or stump dump.

We should have a nice pile of compost in the spring for the townpeople's use.

I would like to thank the staff of the transfer station and you, the townspeople, for making our transfer station a success.

CONSERVATION COMMISSION

In the beginning of the year the Natural Resource Inventory was completed. It is available at the Selectmen's Office and the Library for viewing. You may purchase a copy by contacting any member of the Commission. Once again, we wish to thank everyone who contributed to the inventory.

The Adopt-A-Road program is still going strong thanks to the organization of Carey Bluhm and the volunteers who have agreed to keep their adopted roads clear of trash. We hope to see this program continue.

We're happy to report that the NH Forest Society has purchased a parcel of land abutting the Rhododendron State Park. It is hoped that this land will be joined to the park sometime in the future.

There has been continued progress on the railroad corridors. The trails are being upgraded and maintained regularly. The gates are in place and signs are up. The trails are for hiking, biking, horseback riding, cross country skiing, snow shoeing and snow-mobiles.

The Conservation Commission has submitted an article for Town Meeting. We are requesting that a section of Rockwood Pond Road be designated as a scenic road. This protects this area from being developed without the consent from the Planning Board. All the property owners of this section are in support and we would like to take this opportunity to ask the voters for their support on this article.

The Commission meets the third Monday of the month at 7:30 p.m. at the Town Hall. All are welcome to attend.

INDUSTRIAL & COMMERCIAL DEVELOPMENT COMMISSION

The Industrial & Commercial Development Commission (INCOM) was established by vote of the town at the 1994 Annual Town Meeting (Article 25). The Commission was established for a period of three years for the express purpose of attracting industry to Fitzwilliam. This is our final report to the Town.

Commission members have very mixed feelings regarding the overall effectiveness of our efforts. Considerable work has been done in laying the ground work for industrial and commercial expansion, however, we have not been successful in this direction. The reasons are as many as there are factors which influence a company's relocation; transportation network, available work force, utilities, town water and sewage systems, electric power costs, zoning, tax advantages, available sites and development costs, financial incentives, local and state taxes and the list goes on. The other major factor is our limited ability to locate potential industries and adequately court them.

This commission has accomplished a number of projects:

Early on a survey was taken in an attempt to identify areas of interest and/or concern of local residents. One hundred twenty-one questionnaires were returned. Seventy-five of one hundred twenty-one felt broadening the tax base should be our primary objective. Eighty-eight of one hundred twenty-one preferred industrial expansion over commercial. Sixty-seven favored a professional building, forty-five opposed. Seventy-two favored a retirement complex, forty opposed. Eighty-seven were not happy with our current balance of homes and businesses, thirty-two were happy with it.

We contacted the NH Department of Resources and Economic Development and met with their representatives. Their recommendation was to work with the existing businesses as the most effective way to increase industrial activity. As a result of this meeting we undertook a visitation program using a state formulated program. The results were mixed. Different

companies expressed different problems; electric rates, worker's compensation problems, work force, taxes, etc. We did learn, however, that half the companies interviewed anticipated growth in the next few years.

The commission did develop a directory of local businesses. The directory has been updated on a regular basis and disseminated throughout the town. It is our hope that this has resulted in increased business to these concerns. The INCOM was involved with helping bring an ATM machine to the Fitzwilliam Common Marketplace.

The commission decided that rather than continuing the visitation program, we would attempt to have a general meeting of all the Fitzwilliam businesses. Out of this meeting we had an interest in working to improve the climate for our tourist oriented businesses. An attempt to develop a committee of local tourist related businesses has to-date not been supported.

A major concern has been how to reach companies and company executives who are planning a corporate move. An early offer to create a video of the town was accepted, however, later recommendations were that we create a web site on the internet as a better way to reach more people. This has developed into a suggestion that we create a town web site of which industrial development be only one part. We will recommended to the Selectmen that this be researched during 1997.

This report is a brief summary of three years work. More complete minutes and information are on file at the Town Hall. The commission would like to thank the Board of Selectmen and the many local residents who have worked with and assisted us these past three years.

Sincerely,

Robin Haynes

PLANNING BOARD REPORT 1996

1996 has been an increasingly busy year for the Planning Board. There are many new subdivisions and site plan reviews that have come before us representing a slow trend toward more activity in real estate and growth in business.

Late in the year the Planning Board received the data from all the departments and began to review and update the Capital Improvement Plan for the next five years. The Board expects to have this completed in 1997 to aid in the budgeting process.

Debbie Favreau, the Land Use Administrative Assistant, has submitted her resignation. We on the Planning Board will miss her steadfast and competent assistance and guidance. The Town and the Planning Board owe her a hearty thanks for her years of skillful direction.

HISTORIC DISTRICT COMMISSION

The Historic District Commission reviews applications for building permits for properties located within the Historic District. All applicants seeking to obtain a building permit within the Historic district must adhere to the guidelines set forth in the Historic District Regulations.

In 1996, the Commission heard seven cases; two were a request to construct a garage, one was to construct a porch, two were requests for renovations, one was a request for a barn and one was for a single family dwelling. All requests were approved, some with stipulations.

The Historic District Commission meets the first Thursday of each month at 4:00pm at the Town Hall whenever there are one or more completed applications to be considered. All meetings are open to the public and we encourage your attendance and participation.

Respectfully submitted,
Charles G. Massin, Chairman

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals and administers special provisions in the Town Ordinances dealing with variances, special exceptions and administrative decisions in order to provide for satisfactory resolution on many of these situations without burdening the courts.

In 1996 the Board heard nine cases, six were requests for variances, five were approved, one was denied. Three were special exceptions and all three were approved.

The Board meets at the Town Hall on the third Monday of the month at 7:30 p.m. whenever there are one or more completed applications to be considered. Hearing notices must be posted in town and advertised in the newspaper. Individual notices are mailed to abutters. The meetings are open to the public and we encourage your participation.

TOWN HALL AGENT'S REPORT 1996

I took over the position of Town Hall Agent in July of 1996 and it has been a pleasure to work in such a beautiful historic building.

The Town Hall was rented 21 times in 1996. The renters of the building included:

Troy/Fitzwilliam Youth Sports
Emerson School
Fitzwilliam District Nursing Association
N.H. Fish and Game Department
Fitzwilliam Historical Society
Fitzwilliam Village Water District
Elliott Institute
Meadowood Fire Department
Monadnock Regional School District

The maintenance and repairs at the Town Hall this year included the installation of track lighting in the Lower Meeting room to provide adequate light, directional signs in the hallway to comply with ADA regulations as well as providing information to residents using Town Hall, updating the information on the sign in front of Town Hall and installing an additional informational sign beside the handicap entrance.

We will be asking for your support in raising additional funds to paint the Town Hall, matching funds to change the current stair lift to a platform lift to make the upper hall wheelchair accessible and funds to remove the underground oil tank from behind Town Hall and replace it with a new tank in the basement. Thank you for your patience with the broken striker in the Town Hall clock. We have budgeted funds for this repair in this year's budget.

FITZWILLIAM RECREATION COMMISSION - 1996

Another year has ended with more successes than learning experiences. We've had a few changes in the Commission with the departure of Susan Bemis. Over the years that Sue served she was a major force in the realization of the Charlie Wallace Ball Field. Thank you Sue, we know all that you have added to our Commission and we appreciate your hard work. Joining us this year are Janet Meatty, Jim Parison and R.Scott Hyde. We welcome your enthusiasm.

The '96 Soccer Fall Season was a continued success. More than 200 children in kindergarten through sixth grade participated in this year's program. We are looking at the possibility of expanding the program to include a spring program. A special thanks to the coaches and volunteers that contribute to the soccer program. Also a big thank you to The Common Marketplace for their continued support of our program.

The Charles Wallace Sportsfield receives an exceptional amount of use in addition to the Soccer Program. The field is in constant use from early spring through late fall. If you have been down to the field lately you will see the latest addition, an equipment shed that was graciously donated by Mike Myracle of Pro Designs in Peterborough. Water and electrical lines have been installed to the shed to support the programs that take place at the field.

Renovations are under way at the Pole Barn with a loft section being installed to help to increase our storage space and make the ground floor more usable. This area will be used for more programs in the coming year. Improvements desired at this area for the next year include a volley ball area and a skate board area.

Summer Recreation utilizes both the Pole Barn and the Charlie Wallace Sportsfield. The summer program flourished under the direction of Scott Hyde and his able staff. Children enjoyed trips to pick blueberries or to play miniature golf and of course, the infamous annual Whalom Park excursion at the end of the season. Once again we express our gratitude to the Fitzwilliam

Inn for their continued hospitality. Without their support we would have no place to give swimming lessons.

Our benefit bash at the Inn this June provided diners with entertainment by the Emerson School Saxophone Quartet under the direction of Mrs. Merrifield. We were treated to a medley of songs. An auction was held after dinner.

Melissa Grab, PSIA, served as our Instructor for cross country skiing. Our hardy band became very familiar with the trails at the ski hill. At the end of the season we were able to enjoy our traditional hot dog cook out at the top of the hill. The cross country ski season that began in December 1996 got off to a slow start with a Nor'easter forcing us to postpone x-ski handout...ironic that too much snow is a problem too!

In August we held our Second Annual Town Wide Tag Sale. The Tag Sale is held the same day the Community Church holds its Flea Market and Craft Fair. A number of other community groups held fund raisers this year also. The crowd of bargain hunters was impressive. Our Third Annual Town Wide Tag Sale will be held on August 9, 1997 - mark your calendars!!

With the addition of Jim Parison this year we were able to hold the Charlie Wallace Memorial 5K Road Race. It was a pleasure to be able to have this race return to our program roster.

During the coming year we hope to add Flag Football to our activities. Our goal is to provide a variety of recreational activities for all the residents of Fitzwilliam. If you have any interests or ideas for additional programs please contact one of the Recreation Commission members or attend a Recreation Commission meeting on the first Wednesday of every month at the Town Hall at 7:00 p.m.

Thank you to all the volunteers, townspeople and businesses that help to make our programs a success.

LIBRARIAN'S REPORT

1996 was a very active year at the Library. Our weeding and inventory project was completed and in November we began bar-coding the collection in preparation for the final phase of the project in 1997; the automation of the circulation and catalog functions.

Though much of our focus has been on library automation, we continue to offer strong service to the community in more traditional ways as well.

Circulation of materials in 1996 increased with a total of 18,971 materials loaned. We added 494 books, 30 audio books, 51 videos and 38 periodical subscriptions to the collection and weeded over 1,000. Our collection presently stands at approximately 13,000.

Through our computer linkup to the New Hampshire Automated Information System we were able to search for and borrow 300 books for patrons and lend 170 books to other libraries. Through NHAIS we offer not only access to libraries throughout the state, but to Webster, the government online service and NH Works, the NH Employment Security's Bulletin Board System as well.

We sponsored 64 programs in 1996 with an attendance of 1206. The programming highlight of the year was definitely our very own Book Group, often discussed but finally implemented, in January of 1996. By year's end the monthly group was still going strong with 25 members.

Other programming highlights included singers Purly Gates and Mary DesRosiers, a talk by author Elizabeth Marshall Thomas and a program on reptiles with the Audubon Society.

Our summer reading club, Reading: The Best Game Around, registered 78 readers in grades 1 through 6 who read 37,694 pages. Activities included singing, games, chess, professional bingo, Watermelon Tales and the Little Red Wagon. Prizes were donated by many generous local businesses.

My thanks go out at this time of year to all our wonderful volunteers and supporters; Judy Hancock, Harriet Underwood, Bonnie Jones, Alice Snell, Diana Kelly, a super Friends of the Library Board: Kristen

Joslin, Kate Thomas, Dancy Bluhm, Coni Porter, and Maureen Cuomo, a fabulous Trustee board: Lorraine White, who departs next year after four years as treasurer, Pat Shuster and Robin Marra and finally to a great Assistant Librarian, Deborah Chipman.

As we ended the year, we looked forward to the imminent arrival of a new computer, purchased by the Friends of the Library, for public use. Access to the Internet and desktop and informational software will be available.

As I write this, in early 1997, I have just received word that our federal grant for the handicapped addition to the library has been approved. We will hope to complete that project in 1997 as well.

REPORT OF PLANTE MEMORIAL PARK 1996

This year we replaced two (2) trees and hope to get one more for 1997. The water problem has not been solved as yet.

The Christmas tree at the park was lit up this year and our thanks go out to the Fire Department for their good work.

We will be putting lime, fertilizer and seed on again this year.

MEMORIAL DAY 1996

The Memorial Day observance for 1996 was again a success and well attended by our townspeople. By your attendance, you have shown that this is indeed a very special observance and wish us to continue it each year. It is a time in which we can all stop for just a short space of time and remember all those who served this nation and the many who gave their lives so that we may continue to enjoy all of the freedoms we have today.

The program began on the steps of the Town Hall followed by a parade through town with stops at the Village Cemetery, Depot Park and finally Pine Grove Cemetery. At each stop the VFW gave a firing salute, taps were played and prayers were offered in remembrance.

VFW Commander Charles Dunton was our speaker. In attendance were our State Representatives, Mrs. Katherine Metzger and Mrs. Barbara Richardson, former selectmen and present selectmen. Reverend Lynda Tolton gave the invocation. The VFW gave a firing salute, taps were played by MRHS band and prayers were offered. Many thanks to all who attended and those who helped out in so many ways. Thanks to the MRHS band, the Fire and Police departments, Scouts and school children. Your help and interest is so appreciated.

REPORT OF CEMETERY DEPARTMENT 1996

In 1996 we had the new road put in Pine Grove Cemetery. This enables us to access the newly surveyed lots in this section. In addition, we placed signs referencing the prohibition of artificial flowers. Please note that these artificial arrangements become a safety hazard during our mowing season when the wires holding them together can become projectiles. We appreciate your cooperation in this matter.

The Village Cemetery Tool House repair was put on hold for another year for lack of money to complete the job in full. We did purchase two new mowers and one grass trimmer. We repaired more lots this year with loam and seeding and we intend to cut and trim more trees in 1997.

We had three (3) burials and four (4) cremations in Village Cemetery and seven (7) burials and four (4) cremations in Pine Grove Cemetery.

AMERICAN'S WITH DISABILITY ACT (ADA)
1996 ANNUAL REPORT

The American's with Disability Act (ADA) was established by Congress in 1990. The intent is to increase accessibility, employment opportunities, and services to the millions of Americans who are disabled.

In 1995 the town participated in a pilot program with Southwest Region Planning Commission, which allowed the town to apply for grant money to help offset the cost of some major projects needed to comply with the ADA. The project has been slowed due to circumstances out of the control of anyone from Fitzwilliam. As of this writing we have been notified by the Southwest Region Planning Commission that under the contract negotiated between the State and the County, Cheshire County will receive a total of $166,700. This is $67,620 short of the requested amount by the ten participating communities. However, late breaking news has just been received and the Library access WAS one of the projects selected for matching grant funds.

This grant was, and the plans remain unchanged, to be used for an accessible entrance to the Library. In July 1996 we were advised by the Southwest Region Planning Commission, that we could not start any part of the project prior to the selection of the grant recipients, or we might forfeit the entire matching amount of the grant for which we have applied. The moneys that were voted on at Town Meeting in March, 1996 will be carried over for use in the upcoming fiscal year.

The other two projects, replacing the stair chair at the Town Hall with a platform lift and renovating the rest rooms at the Public Safety Building were scheduled to be completed in the following years and these projects have been moved up to projected completion dates of 1998 and 1999.

The Board of Selectmen have continued to be supportive of the move toward compliance with the ADA. Their support has been greatly appreciated.

ADA 1996 ANNUAL REPORT CONT'D

Any individual who may need special accommodations for any town function or town service should notify the Selectmen's Office in advance to ensure that accommodations may be met in a timely manner.

EDUCATION COMMITTEE

Being an educational research committee we are responsible for gathering information which might directly affect the residents of Fitzwilliam. Our findings and/or recommendations are reported to the Selectmen.

Improving communication between the school administration and the town has been our top priority. We have made visits to the schools and have regular attendance at the school board meetings. This has opened some lines of communication, but we still have some work to do.

At our monthly meetings we have met with various citizens from the area to discuss issues such as: charter schools, the funding formula, building projects and representation of the school board and budget committee.

We welcome any comments or suggestions and invite you to attend our meetings held on the first Monday of the month at the Town Hall at 7:30 p.m.

TOWN CLERK'S REPORT 1996

The Clerk's office has been busy this past year. We registered over 3,000 vehicles. This includes passenger, truck, motorcycle, utility trailer, camper, farm tractor and tractor-trailer units. The revenues received this year for registrations are up $20,000.00 from 1995; $32,000.00 from 1994. Apparently this was the year for new vehicles. All passenger vehicles from 1988 to current year will require a certificate of title when registering as well as trucks, campers, and trailers over 3,000 lbs. Tractor-trailer units that have 3 axles must be titled regardless of the year. We have not heard anything from the State as to the issuance of new plates this year.

There were approximately 500 dogs licensed for 1996. All dogs over 3 months old must have a rabies certificate when being licensed. A new State Law this year will require owners that have a group license to pay $20.00 for 5 or more dogs.

Vital records filed in the office are about the same as last year. The vital records are now automated and our town has received hardware and software from the Bureau of Vital Records in Concord.

The State and Federal Elections, as well as Town Meeting were busy this year. The Presidential Primary was held in September and the State and Federal Elections in November. The turn-out for all elections was lower than previous years. State and Federal Elections now require open hours from 8AM - 7PM. That is a long day for all election personnel. I want to thank all that worked this year. You did a great job!

The Clerk's office has been automated for vehicle registration, dog licenses and vital records since July 1995. This has been working very well and we hope that the people are happy with the fast service. As with all automation, once in a while a problem occurs and has to be solved, taking more time then we would like. We thank you for your patience.

In July 1996, the Clerk completed certification and is now a Certified Town Clerk. This was a four year program ; 3 years for the Tax Collector, and one more year for the Town Clerk. It was a good experience, and I

had a chance to meet many of the Collectors and Clerks from NH.

The Clerk is currently serving on the Town & City Clerks Association Executive Board. This requires one day a month attending a business meeting in Concord and planning the Regional Meeting in May for the Clerks in the Monadnock Association.

The Clerks' hours and phone number are listed in this Town Report with other town officials and departments.

I wish to thank all for their support, patience and good humor.

Respectfully submitted,
Jane Wright, Certified Town Clerk
